- 1. Maybe we can just remove the marker <insert pictures here> Apr 06 2008 - Any User

- 9. Can we have a fourth bullet here that says "Download a copy of the FAQ on KPA". I will email to you the file. Thank you! Apr 06 2008 - jasminsumministrado
- 12. Can I ask you to make sure the left menu which are titles of the six projects read as follows. You can have it in any order. Apr 06 2008 - jasminsumministrado 
- 17. Please delete intelligible comment. Apr 06 2008 - jasminsumministrado
- 18. Please link the words "PEF case studies" (that appear in the first sentence) to the cases page. Apr 06 2008 - Any User
- 30. Please remove the intelligible comment n the page of What is Success? Apr 06 2008 - jasminsumministrado
- 13. I'm thinking of Ve's comment about inserting quotes as well. You think we can have a place for one or two quotes here. What symbol can we have for a quote? Can it be like a small text box that is on the right of the paragraph? And then the paragraph can be wrapped into the box? This is just like in magazines where you have some quotes in the pages. What do you think? Or is this too difficult to do? If it's easy, then please insert this quote. Apr 06 2008 - jasminsumministrado 
- 19. What's the backend of the comments? How are they collected and stored? Can we mine it for example? Apr 06 2008 - jasminsumministrado
- 11. For the column "Assets Gained Through the Project", can we have bullets please (use a symbol like plus, for example). Apr 06 2008 - jasminsumministrado
- 22. In each tools page, Can we add the sentence after "What do you think?"? The sentence will read "Tell us what you think about this tool. Also, [if you have other potentially useful tools in mind....]" Apr 06 2008 - jasminsumministrado
- 16. In the Interplay of Capital table, can we merge the cells of "interventions on the assets and vulnerabilities" so that it doesn't appear that the corresponding column of the vulnerabilities addressed are empty? Apr 06 2008 - jasminsumministrado
- 23. In each tools page, Please make the bullets in the tables on each page consistent with those used in the cases page. Remember we will change the bullets there (see comment #13)? Apr 06 2008 - jasminsumministrado
- 25. In Collaborate in Refining KPA, Please delete the portion from the "Share your thoughts and get a free consultation!" down. We have not yet finalized the free consultation so I don't think it wise to put it here yet. Apr 06 2008 - Any User
- 26. In Collaborate in Refining KPA, Maybe just put at the bottom of the page another message board introduced by the following: Apr 06 2008 - Any User 
- 27. In each question page Please remove the phrase "and get a free consultation!" just above the message board Apr 06 2008 - Any User
- 28. In each question page Please remove also the phrase "Please provide valid contact information when you submit this form, and someone from CCLFI.Philippines or PEF will get in touch with you to book your free consultation." Apr 06 2008 - Any User
- 29. In the page of What is Success? Can we make the diagram a little bigger so even without clicking on the "larger version", it can already be appreciated? Apr 06 2008 - jasminsumministrado
